

For 150 Euros to Red Herring 100 in Cannes

:-)

I am very happy that I was invited to the [Red Herring Venture Market Europe 100 Event](#) in Cannes. I'll be blogging about cool startups and I hope to meet a lot of you guys.

Did I mention that I love [EasyJet](#) and [EasyJetHotels](#)? Thanks to these services these 3 beautiful days in Cannes will cost me less than 150 Euros (including flight & 3 nights). I hate it to throw money out of the window on airplanes and hotels.

Hope to see you in Cannes!
