

[BlogCamp is sold out! 200 participants!](#)

The BlogCamp Switzerland is now sold out. We have [200 participating bloggers](#). Wow!

Remember:

#1: Please [delete](#) your registration if you're not going to make it.

#2: We're expecting that 10-30% of the registered bloggers will not show up, so there's a good chance we will let you in, even if you're not among the first 200 registrants.

#3: Please subscribe to our [BlogCamp-Newsletter](#) if you want us to keep you posted.

And if [Moritz](#) doesn't show up, we [now know why](#) :-)

Bundesrat Moritz Leuenberger hat einen Blog eröffnet.
